Dear Mr. Hadsell:

I am sorry you were unable to attend the 12 January meeting in my office; however, I very much appreciate the interest and concern you have given our situation. I had very fruitful discussions with your representatives, Messrs. Williams, Pearson, and Lubar. Please pass to them my appreciation for their visit. As you are aware, we now have temporary food service in our Building Cafeteria and look forward to full service in the near future, thanks to your attention.

Sincerely,

John M. Ray
